

RAYCO
BY MORBARK

Our **Mini Work-Force** line is the most complete line of handlebar stump cutters available. These rugged machines provide a commercial-grade solution for your stump cutting needs when compact size and affordability are at the top of your priority list.

Every unit is built with features like heavy-duty frames, adjustable handlebars, and powder coat paint finish. Quality components throughout, with a gasoline engine by Honda, and top-of-the-line air filtration systems.

All operator controls are located behind the operator station for safe and easy operation.

MADE FOR **MORE** TO KEEP PACE WITH **YOU**
